Good luck to all participants!

Welcome!

...to the 39th Far East Football Tournament!

Dear participants, dear friends,

On behalf of the German All Stars Bangkok, we once again warmly welcome you to this year's 39th edition of the Far East Football Tournament! After months of hard work to organize this event, we're very proud to host 39 football teams that will participate in this year's competitions.

The number of participating teams is always amazing. We're very happy to welcome new teams each year, but are particularly pleased to have teams join us every year as it proves to us that the event is worth coming back. Next to teams from Thailand, the German All Stars greet friends from Singapore, China, Malaysia, Japan, Hongkong, Philippines, South Africa, UAE, Cambodia, Taiwan, Vietnam and many more.

The tournament includes different game types (11-a-side and 7-a-side) as well as different age categories with separate competitions for players above 35 and 45. This year, we will have 11 teams fighting in the Open tournament, 15 in the Vets, and 13 in the Masters.

Michael Beck, President of German All Stars Bangkok: "It is my pleasure to welcome you to the 39th edition of the International Football Tournament 2023 in Bangkok, Thailand. As COVID situation forced us to cancel the tournament for the last 2 years we are more than happy to continue our success story in 2023. The German All Stars Bangkok annual tournament, this year with 39 teams and players from around the globe, is, without doubt, one of the best amateur football events in Asia, if not the world. For 39 years many people give countless hours of their free time to organize this event, and my cordial thanks go to all involved in the extensive history of this tournament. Now let us look forward and enjoy a weekend of football, fun and

Next to some high-quality amateur football, visitors can join free of charge and enjoy a full programme of entertainment, live music by a popular Band and -most importantly- German culinary delights. With 2-day catering provided by local German restaurants, we can all look forward to German specialties and German beer throughout the event.

Last, but certainly not least, we want to thank all sponsors, voluntary helpers, as well as the referees who all help to realize this event in the first place. We wish the best of luck to all teams, look forward to see fair sports and wish you all a great time!

With sporty regards on behalf of the GAS BKK,
The Organisation Team

BEIJING CELTICS

- China -

Beijing Celtic was established in 2002 by a few Irish Expats and local Chinese friends who enjoyed playing five-a-side football. The club began to grow as people of all nationalities got involved. The club was promoted to Division I in Beijing in 2014 and has progressed rapidly in recent years, winning two cup titles and two league titles in the last three seasons. Celtic now boasts three men's teams and two women's teams, one of which recently secured its first seven-a-side league title.

The team trains every Thursday night from 6-8 pm at Side Park, and they're the only club in league with three teams in the three CIFL divisions. From their Cup and Title-Holding 1st Team to our recently added 3rd Team we offer competitive

football to players of any level. We range from ex-professional and academy players to beginners and welcome all who enjoy playing football and a bit of craic. We're also proud to have the best bar in town, Paddy O'Shea's, as our home base as well as our longtime sponsor DHL.

CAPITALS HANOI FC - Vietnam -

Hanoi Capitals is an amateur football team that was established in 1994. The team has gained a strong reputation in the football community in Hanoi, Vietnam, and has won the league three times.

The team is based in the vibrant city of Hanoi and is predominantly composed of foreign players who live and work in Vietnam. With a history of almost three decades, Hanoi Capitals has become a well-known team in the amateur football scene, attracting players from all around the world who share a passion for the sport.

CAPS, CAPS, CAPS!

FARANGUTANS CHIANG MAI

- Thailand -

This year our open team is a selection of Chiangmai best players and the big expectation to bring back the trophy in the North may become reality. Unfortunately, the timetable was too short to shoot a team picture but luckily, their girlfriends send a photo from the last AGM.

FORBIDDEN CITY FC - China

A tale of close but no cigar in our last two tournament appearances. A handing over of the managerial reigns may result in success at last after appearing at every tournament since 2011. More likely that the reign of Ivan the Terrible will not even see out the weekend!

DANNY J. - After a long stint in China, Danny has recently relocated to Bangkok. We are all seriously concerned at the level of human depravity this German is likely to make us endure.

LUC - Arrives in BKK hoping to make a name for himself but despite the hair, he's more 'Bambi on Ice' than 'Bend it like Beckham'.

RHINO - The big question on everyone's lips is whether South Africa's answer to Vanilla Ice will be able to keep his cool this weekend. The smart money is on his defence melting as soon as he comes up against his first set of breast implants.

NICK - We are all hoping that his reactions to a sniff of goal will be better than when he gets a sniff of hard liquor. Our American choirboy cuts loose when given the opportunity and likes to relive his glory years naked wrestling with the priests of Boston.

CONOR - This weekend will be quite disorientating for our ginger gigolo as he swaps being paid by married women to paying breasted men. At least his poor pull-out game won't matter here.

OLAF - This weekend will be deemed a success as long as he doesn't leave us all projectile vomiting from both ends. Took the term 'street meat' a little too literally.

KP - Little is known of KP's childhood though it is believed he is the product of a passionate and loving threesome between Stephen Hawking, King Baratheon, and a Peaky Blinder's extra. When this scientist isn't solving life's mysteries, he is ransoming away his hard-earned savings to his ex-girlfriend. Also occasionally plays football.

DIEGO - After the green card wasn't enough to rid himself of 'Sticky Vicky', has made an escape to BKK in the hope that he can't be tracked down. We all know he will be married and watching from the wardrobe by next year's tournament though.

CAMPBELL - Our very own Glaswegian will be hoping to keep the opposition strikers firmly under lock and key. Should find it easy enough given the years of first hand experience of domestic abuse. An important reminder that men can be victims too.

CHARLES - Although only recently becoming a dad, many have viewed Charles as a father-like figure for years. A real, loving, and caring father though, not like the ones that make you kneel down and swear not to tell another living soul. Who's our daddy? You are gaffa, you are.

DENIS - Get Charles on the phone, this Manc just set the Guinness World Record for the first set of eyebrows to legally marry a human being. These new nuptials signal the obvious divorce from his first failed marriage to Man Utd.

BAS - The original Dutch AI chatbot, Bas is a baker by trade, but a Tour Guide by calling. If he keeps his chat up within earshot of some keen observers, he'd have no problems putting plenty of buns in plenty of ovens.

The German All Stars Bangkok Football Club was founded in 1968 when Günter Glomb started his 17 years' tenure as head coach of the Thai National team. Besides Mr Glomb's third place at the Asian Championships in 1972, his legacy in the form of the German All Stars remains until today.

The club was a founding member of the current Bangkok Casual's League and the Casuals team has established themselves as a regular in the top four of Division I after winning the Division 2 championship title in 2013.

Despite the long history of the club, the German All Stars are anything but old fashioned. The team consists of all ages and nationalities. With an average of 50% German players, the club is particularly proud to welcome team mates of any age, having any skills, from any country, playing in any position. Most players are expatriates living and working (or studying) in Thailand and come from Great Britain, Turkey, the Netherlands, Bavaria, Italy, Argentina, Spain, France, Nigeria and Thailand!

This year's squad remains similar to last year. GAS are currently top of the Casual's League and through to the semi-final of the league cup competition.

Besides the weekly training sessions on Thursday nights, GAS entered the SAT League and are currently 3rd.

May the best team win!

The German All Stars Singapore absorbed Swiss FC Singapore into its fold a few years ago. Now, the team returns to Bangkok to hopefully build on a tradition to do well in what is without a doubt Asia's best amateur football tournament.

The team will be a mix of players from the Cosmo League teams as well as from the Second and Third team.

Let's find out whether the Swiss presence in the German All Stars team has a positive influence, on and off the pitch

Hibernians FC - Singapore

After 4 years away from the Far East Football Tournament, Hibernians are absolutely delighted to be back in Bangkok. For the first time we've entered 3 teams in the tournament in the Open, Vets and Masters Categories.

As Singapore's largest amateur football club, Hibernians have perfected the balance of working hard on the pitch and partying hard off the pitch. We arrive in Bangkok in great numbers and can't wait to enjoy a weekend here again.

As always, massive thank you to our awesome sponsors Muddy Murphys for giving us the best pub in Singapore to head to after games and for supporting us generously for our trip to Thailand.

We also say goodbye to Club stalwart Roger Clay who leaves us to head back to Australia on the 8th of April and what better way to send him off in style than one night (or four) in Bangkok!

LES GAULOIS FC BANGKOK -Thailand-

Les Gaulois de Bangkok is an amateur football team, founded in 1985, currently playing in Thailand's Casual League.

It's not the team with the best players, but the players who make the best team, that wins.

MIGHTY SHANE FC - Taipei

The Mighty Shane Football Club is one of the oldest and most storied clubs in Taipei. Started in 1998 as a simple pub team of Shane English teachers, the club has grown into one of the most prominent clubs in Taiwan, and a mainstay in the East Asian football scene.

Based in Taipei, Taiwan, and backed by the most popular pub in the city, MSFC trains regularly and competes in the Taipei International Football League, as well as various tournaments in and around Taiwan.

While football is at the core of MSFC, we also enjoy the social side of playing on an amateur football team with teammates from around the world.

SAIGON SAINTS - Vietnam

Universally regarded as the last bastions of proper amateur football in Saigon, the Saints have been bringing their unique brand of total football to the city's pitches and watering holes since 1995.

With a mixture of gnarled experience and youthful innocence, and a squad comprised of current stars as well as past legends, the bookies are expecting big things from the Saints this year.

Bangkok Old Boys is a laughably amateurish veteran football club in Bangkok, Thailand. There is nothing they like more than playing football, except that smooth, refreshing, crisp taste of Hanoi Beer on a sunny Bangkok afternoon. Brewed locally in North Vietnam (the beer not the team), presumably on the thighs of virgins, Hanoi beer uses a traditional formula that was left by the French in 1890. Today the same beer is enjoyed by local Hanoians on every street corner & is the beer of choice for Bangkok Old Boys FC.

Founded in 2018 by aging Casual league players (the team, not the beer) opposed to kids skipping merrily past as we waddle and wheeze down the flanks, Bangkok Old Boys have finished last in almost every Vet's League since.

However, they have somehow managed to win the Vet's League in February 2020, Plate Winners in the Bangkok Veteran 7's 2019 and Plate Winners in the Surarnabhum Airport Veterans Invitation Soccer 7's 2019.

Bangkok Old Boys FC return to the Over 35 division, determined to better their 2019 finishing position of second to last.

Bangkok Old Boys FC are a lot like a Hanoi Beer, we're exotic, we pair well with Asian crumpet, and with its 5% Alcohol it will take a few of us to take you down. Chill the Hanoi Beer; we'll be out by Lunch.

THE BAYON WANDERERS FC

The impressive twelfth century Angkorian “Bayon” Temple lends its name to this elegant team, which was established exactly 28 years ago. The strength of the Angkorian Empire is reflected in the depth of this team’s character. The beauty and elegance of the temples is noticeable in the poise and grace with which they take to the field and is clearly seen in their flowing passes and general movement around the pitch.

However, if the team doesn’t get what it want, the horrific brutality of the ancient Khmer kings is clearly evident in their violent and erratic behavior on the pitch. This behavior has been wiped out in the last couple of years with the assistance of a real “Code of Conduct” and the real elegance and grace have been installed.

Bayon are led by their coach, good-old Billy “the Hat”. If the Bayon players are in the mood, they will show his unique brand of total football, developed in his youth, around the time of Jayavarman VII. He intends to pass this on to all his players, who will try to write history in Bangkok.

Bayon Wanderers FC will participate this year with the Veteterans team.

This year Bayon Wanderers FC is coming with a n almost completely team existing out of highly respected trained and skillful players and will defend the Bayon colors with all the strength they have.

Participating for the 24th time in the Bangkok Far East International Football Tournament is a huge honor for all Bayon players and they will try to perform on their best.

Like always, the expectations for a good result are very high and these players will try their best to reach the highest, to take the two cups home for the very first time. Two years ago they were very close in doing that. This year might be the year of the Bayon Wanderers FC.

BEIJING ROCKETS

Founded in 2013 on the bustling streets of Beijing by retired founder but never forgotten Nick ‘The Major’ Kingston-Smith.

The lads strapped in and blasted off into Chaoyang Park starting life as a glorified pub team on the 5 a-side circuit. As their popularity grew in the city, the Rocket family’s need to enter additional teams was evident. After establishing themselves as a powerful force in both 5 and 7 aside leagues respectively, it was time to change course and venture into the unknown universe of 11s. So, in 2017 they did just that.

It wasn’t all plain sailing for the boys in Orange & Black for they were pelted from all angles and shat on from great heights in their debut season in Beijing’s second tier. However, with new recruits and a fresh hunger for improvement it was their second season where they really found their feet. The 2018 campaign saw them take the league by storm shooting UP, UP and AWAY towards promotion and finish as champions leaving the other sorry souls in their wake.

So, as The Rockets celebrate 10 years since their launch, in what has been an astronomical journey, they find themselves crash landing in Bangkok for the 3rd time for the unrivaled Far East Football Tournament. This year, they are pulling together the veterans of the team from around the world. A misfit mix of retired cadets and those still currently on the books. Once a Rocket... always a Rocket!

Fantastic to finally get this tournament underway after the unwanted break! Good luck to all.
Let the Buckets Begin....

UP, UP AND HOWAAAAAYY!

DUBAI PIRATES - UAE

Dubai Pirates (MS Deutschland) - set up in 2003 in Dubai and in fact hitting a 20-year milestone is a bunch of highly talented folks both with quality skills on and off the pitch.

Regularly playing in Dubai through weekly trainings and regular tournaments Dubai Pirates (MS Deutschland) has brought up some of the Middle East's finest talents on football. Having participated in many Asian football tournaments (Bangkok, Manila - actually won in 2019!!, Saigon)

> The legendary Dubai Pirates team is looking forward to playing Asia's most legendary football tournament again - finally in full swing after the COVID pandemic.

Thanks a lot, to the German Allstars Bangkok for organizing the entire event!

FARANGUTANS CHIANG MAI

The Farangutans who have an impressive football history, have always been a mysterious subject as nobody know them outside their small village of Chiangmai. But a cameraman took these pictures during one of their training session to bring some light of knowledge.

The coach calling the players for the tactical part (notice they use German ball).

FC BAL - British/Asia

FC Bal is a football team made up of British players who have played together across Asia for the last 15 years. The team was formed as a way for these players to continue playing together and stay connected despite living in different countries. FC Bal has a long and storied history, with British players from all over Asia coming together to play.

The team has participated in numerous tournaments and leagues over the years and has developed a reputation for its skilful and entertaining style of play. Despite facing numerous challenges such as language barriers and cultural differences, the players have developed a deep bond through their shared love of football. FC Bal's strategy is based on a fluid and attacking style of play.

The team relies on quick passing, movement, and individual skills to create chances and score goals. Defensively, they are disciplined and organized, with each player knowing their role and responsibilities. The team places a high value on teamwork and communication, both on and off the field.

FC Bal has had many notable achievements over the years, including winning several regional tournaments and leagues. They are known for their ability to perform under pressure and to come back from behind to win games. The team has also gained a reputation for their sportsmanship, fair play, and respect for their opponents.

FORBIDDEN CITY FC - China

This handpicked over 35s Forbidden City squad of Legends and Reprobates is back with bags of pent up frustration after a 3 year forced BKK hiatus. Expectations on and off the pitch are sky high, but we suspect tears and unforced injuries to be closer to reality.

ADAM - Having inherited blood diamond money from his wife's side of the family this man has selflessly dedicated his life to coaching the FCFC footballing equivalent of the special needs bus players. With very little progress achieved since his team last lost 0-25 against a bunch of kids, our very own special one is odds on to get the chop from management.

LUPPERS - His pornhub searches read: Asian Margaret Thatcher cosplay... that says it all really.

PB - The indisputable Carbon Footprint GOAT. This man's record means he would rather our children have no future than miss a surfing weekend or a BKK tournament. Recently took a job facilitating one of the world's largest travel agents to sell even more flights.

LUCA - Once labeled "the only peasant in Milan", what our Italian Maestro lacks in fashion sense he makes up for with silky skills on the pitch...

JOSH - Once a promising throat singer plying his trade across Beijing, law school soon chewed up this unsuspecting Virginian and spat him out in corporate London. Most likely to be voted "most likely to stay on and become a Buddhist monk."

ED - If Bernie Madoff had a thing for being naked.

MIRKO - If ever Netflix is interested in doing a documentary about the polo making craft of an Italian sex addict. Also a school teacher in his spare time.

FELIX - This German freight train of a man left a wide gap in the heart of our defense when he said goodbye to Beijing. Back in Bangkok to fill in more gaps than he may care to remember.

INIGO - Brought up on a diet of bull testicles and rabbit eyes as a young child, few have seen Inigo's charming side, most have simply been punched in the gut for having the temerity of enjoying a good night out with our very own Basque Beast.

XLONG - A man of duality, Lee is equally proficient in sipping tea and composing haikus as he is berating referees.

IVAN - The club all time goal scorer has finally turned 35 (and disappointingly acts somewhat like an adult). He can now re-capture past glories with the vets by netting some of those trademark flying-Swiss headers. "Welcome to the team Ivan. Sure you can play 11s sure...oh yea...for sure"

PHILIPPE - What can we say about Philippe that he hasn't already said about himself? Well, many things, but they shall unsaid. Big P is a complex mix of former football glory and grey hair, held together by lukewarm banter and a sugon of experience.

(VET'S & MASTER)

The German All Stars used to be the oldest and maybe heaviest team in most of the tournaments but that has changed recently. Most of the Casual's players are now eligible to play Veterans & Master football meaning we're a far more competitive team.

The Veterans have just won the ThaiGer tournament and finished runners up in the most recent monthly tournament so are looking forward to our own International Far East Football Tournament (IFEFT).

Just like their younger team mates from the Casual's team, the Veterans and Master are particularly proud to have team members from all around the world. The IFEFT is always a highlight in our calendar and the Veterans and Master look forward to meeting old and new friends during this weekend.

Wishing all players, families and supporters a great football weekend in Bangkok.

German Club Manila 1906

All ages gathered last June to celebrate Rolf Schroeder's birthday, our most experienced Eagle's 85th anniversary, time to kick and party, wishing all players a lot of fun, thanks to the organizers & thanks a lot to our sponsor, Jim Godesmit & German Club!

Mabuhay

The GC Eagles Manila actually should be called GC Eagle "landed" in Manila as the last months weren't very active as the pandemic did not allow them to kick the ball. Now we are back on the pitch, truly internationally and full of hope and thirsty throats.

That doesn't mean we are better than last year but we definitely will have a lot of fun and a few cold beers.

Hibernians FC - Singapore (Vet's)

After 4 years away from the Far East Football Tournament, Hibernians are absolutely delighted to be back in Bangkok. For the first time we've entered 3 teams in the tournament in the Open, Vets and Masters Categories.

As Singapore's largest amateur football club, Hibernians have perfected the balance of working hard on the pitch and partying hard off the pitch. We arrive in Bangkok in great numbers and can't wait to enjoy a weekend here again.

As always, massive thank you to our awesome sponsors Muddy Murphys for giving us the best pub in Singapore to head to after games and for supporting us generously for our trip to Thailand.

We also say goodbye to Club stalwart Roger Clay who leaves us to head back to Australia on the 8th of April and what better way to send him off in style than one night (or four) in Bangkok!

Malaysian Grasshoppers

Kuala Lumpur - Vet's & Masters

The Malaysian Grasshoppers were formed in 1993 predominantly for the German-speaking community in Kuala Lumpur. The basis of the team was to play hard and even socialize harder.

Over the years the MG's have become really international in nature and have welcomed many local Malaysians to play with them.

The name Grasshoppers emanate from the Swiss team Grasshoppers Zurich, and the MG's have tried in vain over the years to match their illustrious European counterparts for style and quality.

Nevertheless, win or lose, the MG's have Premier league status when it comes to the 'third half' with many players shining more in the bar than in the box. The future looks bright for Malaysian Grasshoppers. The number of players continues to increase, and the standard of play improves with every Weissbeer consumed.

We play every Saturday morning (Linatex Field) from 09:00 am until 11:00 am.

Until today, the MG's are a group of friends who have the excuse of playing football every Saturday to have a beer and a laugh after the game.

Now we are looking forward to our big celebration this year:
„30 Years Malaysian Grasshoppers“

RED LION LEGENDS - TAIWAN (VET'S & MASTER)

THE OLDER, MORE EXPERIENCED, DARE I SAY... BETTER-LOOKING VETERANS OF THE RED LIONS FC (TAIPEI) HAVE BEEN DAZZLING CROWDS WITH THEIR MESMERIZING, GRACEFUL, ALMOST BALLETTIC STYLE OF FOOTBALL FOR DECADES. BASED IN TAIPEI, TAIWAN THE RED LIONS MARK 2023 AS THEIR 40TH ANNIVERSARY WITH A CULTURALLY DIVERSE BAND OF BROTHERS COMING FROM ALL OVER THE GLOBE TO MEET IN BANGKOK FOR THE GERMAN ALL-STARS TOURNAMENT AS A REUNION EVENT AND A CHANCE TO ADD MORE SILVERWARE TO AN ALREADY BULGING AT THE SEAMS TROPHY CABINET.

NAMED AFTER THE RED LIONS PUB OWNED BY TEAM FOUNDER MIKE COTTIGHAM IN 1983, THE RED LIONS CAN BE EASILY IDENTIFIED BY THEIR BLOOD-RED AND WHITE KIT AND INFAMOUS RALLYING CRY OF "WHO'S SPARTACUS?!?" BEFORE MATCHES. IN DEFERENCE TO A MODERN, EVER-CHANGING WORLD, VEGETARIAN LIONS ARE PERMITTED TO WHISPER SOFTLY "WHO'S ASPARAGUS", BUT WHAT NEVER CHANGES AND DEFINES THE RED LION SPIRIT IS THEIR DESIRE TO DRINK MORE BEER, MAKE LIFE-LONG FRIENDSHIPS ALL THE WHILE PLAYING AND WINNING AT THE SPORT WE LOVE.

WHO'S SPARTACUS?!?

Well, the BIG one is finally back and more importantly, Red Star KL are also back, alive (kinda) older and... well older!

In 2023 we were competing in the Vets and the Masters with a very diverse and talented team made up of Malaysians, Brits and Dutchies. With such an expensive and quality squad Gordy the Guvnor Sutton will have the 'Potter' problem of who to start. Legends abound including Stefano 'Braveheart' Paterson, Glen 'freak penalty injury' Heywood, Rob 'mines a steak + kidney' Davies, Eric 'still looks 12' Yeoh, Pelle 'against all odds' Aardatwork and Yang 'I'll mark him tight' errrr Yang plus many more!!

This time it's serious... as we plan our Christmas Tree set pieces in the pubs and clubs of Nana with the aid of some medicinal massages and rolleeezz, followed by some light refreshments on the third floor and an early bar fine, I mean night.

See you in the bar, on the pitch and in our dreams champions.

THE GODFATHER - Hongkong

The Godfathers are a football club based in Hong Kong,
The original team, The Mobsters, a force to reckon upon.
But now, they've expanded with two new teams for the youth,
Over 35's and Over 45's, ready to seek the truth.

Previous tours from foggy memory were quite the race.
The Godfathers team love a good tour, with Bangkok their new
temp base...

With games played in the day and parties (falling asleep in hotel
lobby) all through the night,
The Godfathers have a reputation that's quite a sight..

At the end of every tournament, the team gathers in court,
People are fined by shot, a fun and jolly sport.

With sins forgiven and fines paid, the team is all set,
Ready to take on the next challenge, no regret.

So come and watch the Godfathers play, it's a sight to see,
Their skills on the field will fill you with glee.

And don't forget to buy them a shot or two,
It's a tradition that's followed, through and through.
So if you're in BKK and you love a good game,
The Godfathers are the team, to achieve football fame.

WANCHAI SPARTANS Hongkong (Vet's & Master)

The Spartans return to Bangkok after a three-year pandemic-induced hiatus, raiding from Hong Kong paunchier, rowdier and more one-footed than ever. Yet they remain hungry for victory and ever keen to make new friends and short-time companions in the Land of Smiles. Drunk, sunburnt and out in the quarters, they may be, but you can bet your last Baccara Baht they will leave it all off the pitch in Bangkok. Viva Sparta!

BANGKOK DEVILS - TH

Bangkok Devils is a veteran football team based in Thailand, born in 2019 and active throughout south east Asia's vibrant football tournament scene.

The team members are all long time or recently moved in expats in Bangkok. The devils come from various professional horizons and nationalities. Devils forever!

BANGKOK SPARTACUS

=Thailand =

Bangkok Spartacus is selected from elite players from many nations to enter competitive tournaments in Asia. The team prides itself on its diverse background as well as its competitive and social atmosphere.

We enjoy playing new teams from other cities and then meeting afterwards to relive our glory days over a round of beer.

BOLA BOLEH BOYS KL MALAYSIA

The Bola Boleh boys are a group of old friends and teammates dragged from the deepest, darkest corners of Asia and Europe for one, final farewell football tour. Some are past their prime, others are well past their prime and the rest never really reached any type of prime in the first place.

Brought together by our love of football (and of alcohol), we are mixture of Malaysia, France, England and Belgium (?). Yes, we are the dream team. We promise to play to the best of our abilities and no more, so don't expect too much.

FARANGUTANS CHIANG MAI

Souvenirs, souvenirs...

If our best years are behind (football speaking), we definitely improved our fashion (for some of us).

And while you're trying to put a name on each of us, we are ready to be the surprising team of the 2023 tournament!

FC SUPER 48- Shanghai

We are happy to be back here!

FC Shanghai Super 48 is one of the biggest Shanghai-based football team for Japanese expats since 2008.

Someone says our founder must have named after a popular girls' pop group called AKB48 or BNK48 here in BKK, it's not the case.

48 was the average age of our founders and also Chinese pronunciation of 48 sounds very similar to Super in English, now you got the idea!

Team concept is Lifetime Playing.

We play hard and drink hard that we believe is always a driver to grow the team with a lifetime friendship.

Looking forward to the tournament for the first time after 3 years break, and really appreciate the organizer to make this back again!

When the German All Stars Singapore combined with Swiss FC, a new SuperVets team was formed. The team now plays in the EFL SuperVets league and looks forward to a first participation in the Master tournament.

The team will definitely not lack experience, as quite a few of the team members are well past their usual (football) shelf life, i.e. they are on the wrong side of 60. But let's see whether experience prevails over "youth".

Hibernians FC - Singapore (Master)

After 4 years away from the Far East Football Tournament, Hibernians are absolutely delighted to be back in Bangkok. For the first time we've entered 3 teams in the tournament in the Open, Vets and Masters Categories.

As Singapore's largest amateur football club, Hibernians have perfected the balance of working hard on the pitch and partying hard off the pitch. We arrive in Bangkok in great numbers and can't wait to enjoy a weekend here again.

As always, massive thank you to our awesome sponsors Muddy Murphys for giving us the best pub in Singapore to head to after games and for supporting us generously for our trip to Thailand.

We also say goodbye to Club stalwart Roger Clay who leaves us to head back to Australia on the 8th of April and what better way to send him off in style than one night (or four) in Bangkok!

Well, the BIG one is finally back and more importantly, Red Star KL are also back, alive (kinda) older and... well older!

In 2023 we were competing in the Vets and the Masters with a very diverse and talented team made up of Malaysians, Brits and Dutchies. With such an expensive and quality squad Gordy the Guvnor Sutton will have the 'Potter' problem of who to start. Legends abound including Stefano 'Braveheart' Paterson, Glen 'freak penalty injury' Heywood, Rob 'mines a steak + kidney' Davies, Eric 'still looks 12' Yeoh, Pelle 'against all odds' Aardatwork and Yang 'I'll mark him tight' errrr Yang plus many more!!

World Cup soccer in Bangkok!

THE World Soccer Cup meet in Bangkok! Yes, many may wonder what this is all about. This is the name of a new two-day competition organized by an energetic committee headed by ex-German junior national player, Junter Glomb who has settled down in Bangkok. The meet, to be held at the weekend at the Bangkok Sports Club, will start at 9 a.m. tomorrow. Seven teams, including the well-known FC Köln from West Germany, are taking part in the tournament and each match will be of 40 minutes duration without half-time. A team will be allowed to register 20 players and there is no limitation to substitutions. The final game, however, will comprise two halves of 25 minutes each.

The teams taking part are, the German Tairun FC from Tokyo, the Hong Kong Football Club, FC Cosmos (Bangkok), FC Köln, German All-Stars (Bangkok), Indian Cosmos (Bangkok) and a squad of Thai internationals. The competition is to be played annually and the winning team will be awarded a trophy similar to the World Cup. When asked why they had named it the World Cup tournament, Glomb said: "We want to expand it every year, attract many teams from all over the world and...

German's going for the double

LEAGUE champions the Germans and the Indians clash in the Farang Soccer League Cup final at the 11th ground this afternoon at 4 p.m. In what promises to be a hotly contested match, the German team will be looking to win a second consecutive title. In the weeks leading up to the final, the German team has been in the most consistent form, winning all their matches. They are now leading the league with 12 points, while the Indians are in second place with 10 points. The match is expected to be a high-scoring affair, with both teams looking to claim the trophy. The German team, coached by Junter Glomb, has a strong attacking lineup, while the Indian team, coached by... will be looking to defend their title.

Köln sets pace in World Cup

Unbeaten record at the end of the first round World Cup soccer tournament at the Bangkok Sports Club ground. Köln, Hong Kong (HK), Japan (Tokyo), and the German All-Stars (Tairun) are the local teams. The competition will be continued this morning at 9 a.m. with the German All-Stars facing the Indian Cosmos. Köln, with their unbeaten record, are the favorites to win the tournament.

Three-horse affair in Farang League

THE second half of the Farang Soccer League kicked off last week with the Germans and Scandinavians sharing top spot followed by the Indians one point behind. The league has turned into a three-horse race with the remaining five clubs out of contention for any honours. In last week's matches the Germans struggled to a 3-2 victory over bottom-placed TSD whose goalies put in a magnificent performance in an effort to earn his team a surprise point. However, goals from Wolfgang Helms, Uli Freund and Adolf Knees gave the Germans the British Club and forfeited the two points they needed to put them top of the league on goal average from the Scandinavians who were without a game. In other matches ISB put paid to any lingering hopes the Swiss may have had of keeping within sight of the leaders by beating the Mountaineers 2-1 while the...

Rules of Competition 2023

In general, all FIFA rules apply to this Tournament (except of corruption). Major exceptions and clarifications are described below. In line with officially practiced FIFA rules, the Referee's decisions are final. No one shall dispute his decisions in any way, on or off the field during the tournament.

- In accordance with Article 3 of the FIFA Statutes: Discrimination of any kind against a country, private person or group of people on account of race, skin colour, ethnic, national or social origin, gender, language, religion, political opinion or any other opinion, wealth, birth or any other status, sexual orientation or any other reason is strictly prohibited and punishable by suspension or expulsion.
- There will only be one referee during each match (no linesmen).
- The 39th International Far East Football Tournament will have a "no-age-limit", "11-a-side", "11-a-half", "full-field", "no-offside", "rolling-subs", and "yellow-card-sitout-the-half" format in the OPEN Competition and a "over 35-age-limit", "7-a-side", "7-a-half", "half-field", "no-offside", "rolling-subs", and "yellow-card-sit-out-the-half" format in the VETS and MASTERS competitions.
- Players shall be allowed to play for more than one (1) team in the entire tournament, only if the Captains of the two (2) relevant teams and the player who is switching teams agree to it.
- According to FIFA rules, shin-guards are mandatory equipment.
- In the Group Phase, each team shall be awarded with three (3) points for a win, one (1) point for a draw, and zero (0) point for a loss.
- In addition, one (1) - and, only one (1) - extra bonus point shall be rewarded to the winning team that can score three (3) or more goals in one (1) match. This means a maximum of four (4) points per match for any winning team.
- All matches shall be played according to the tournament schedule as announced by the organizers during captain's meeting. Any team arriving more than five (5) minutes late after the scheduled kick-off time, their match shall be considered as forfeiting the match with 0-2 walk-over. The punctual team shall be awarded with two (2) goals and three (3) points. If both teams are late (usually Sunday early morning matches!), they shall both be penalized with a 2-0 loss.
- A team must have a minimum of eight (8) Players (5 for Vets and Masters) at the start of each of their matches; otherwise the team shall be considered as forfeiting the match with a 0-2 walk-over. The opponent team shall be awarded with two (2) goals and three (3) points accordingly.
- Unlimited rolling substitutions ("rolling-subs") are allowed, and players who are substituted are permitted to return to play at a later time within the same match or later matches.
- Substitutions shall be made as the two (2) playing teams see it fit without stopping the match. Since it is rolling-subs, the on-coming substitute shall exchange places with the outgoing player at the same spot on the same sideline.
- In the interest of fairness and controlling rough tackles & late hits, any player receiving a yellow card during either half of a match will be sent off, without being substituted, until the end of that half during that match ("yellow-card-sit-out-the-half"), leaving his team one (1) player less for the remaining minutes of that half. The yellow-carded Player shall be permitted to return to the same match in the 2nd half or play in his team's next match. A Player with two (2) yellow-cards collected in one (1) match shall automatically be sent off, and is suspended for the next match.
- A direct red card shall also lead to an immediate send-off from the match as well as an automatic penalty of one (1) match suspension, with the possibility of further disciplinary action by the Organizing Committee.
- The following four (4) criteria shall apply so as to decide the group rankings: [1] Goal difference, [2] Goals scored, [3] the score of the match between the deadlocked teams, [4] Sudden-death-penalty-shoot-out. The winning teams in all competitions shall continue on playing through their Quarter Finals, the Semi Finals and the Final.
- In case the teams draw at the end of the regulation time for the matches there shall be a penalty shoot-out immediately, without playing any extra time, following the match to decide the winner of the match.
- The following rules shall be observed for all the penalty shoot-outs in this Tournament:
 - > Before the shoot-out, each team shall select their initial three (3) penalty-taking Players from the players on the field, and register their names & numbers with the Referee.
 - > In case it is still a draw after the initial three (3) of each team, the winner shall be decided based on the sudden-death penalty shoot-out rule. In case it is still a draw after all the Players in either of the team's roster have taken penalties, then the turn rotates and re-starts from the first (1st) Player in the initial three (3) penalty takers based on the sequence of Players and their shirt numbers as recorded by the Referee.
 - > The goalkeepers of the teams during the penalty shoot-outs can be chosen from any Player within the entire roster of their squad; however, (barring a serious injury situation) teams shall not change goalkeepers during the middle of a particular penalty shoot-out.
- The winner of the Final Matches (whether in regulation time or after a possible penalty shoot-out) in all of the competitions shall be declared as the champions of their respective competitions; whilst, of course, the winner of the Cup Competition being the Tournament Champion.
- Any event not covered above shall be discussed and decided by the Organizing Committee of German All Stars Bangkok during the 2-day Tournament in consultation with the Referees Committee. Inevitably, but authoritatively, their decisions are final!
- In the Vets and Masters competitions no sliding tackles close to an opponent. Goalkeepers can slide in a fair way inside the penalty box, outside the box the same rule applies for him as for a field player.
- Medical treatment on sight will be offered from Bangkok Hospital free of charge; however any further treatment and services outside the tournament's compound will be subjected to the normal fees and charges.
- Sunday after the 1st game of the second round started the schedule is fixed. Teams need to check their positions and schedules to eventually claim mistakes before the 1st game of the second round on Sunday start.
