37th Far East Football Tournament

Dear German All Stars & all tournament participants,

It is a great honor for me to be able to contribute to this 37th Far East Football Tournament with the opening comments and, having recently visited Bangkok to participate in a football tournament myself, I know what our most beloved sport means to the people of Thailand, the fantastically run German All Stars and people all over the world.

As a veteran of many tournaments myself, I encourage everyone to take the opportunity to enjoy this coming together of people from several different backgrounds and nationalities for a festival of football – the number one sport in the world!

Having played at the highest level and experiencing both the highs and lows of this great game I can assure you there is no better feeling than lining up alongside your teammates, your friends and taking to the field to compete for the biggest prizes. Having spent time with the German All Stars during my trip to Bangkok, both on the field and off the field, I have been introduced to the amazing work that goes into this famous event and I understand that many of you will travel great distances to participate this weekend. I wish all the teams the best of luck and may the best team bring that trophy home, but most importantly enjoy a great weekend with your friends and teammates in this great city and playing this great game!

Lastly, I would like to thank the German All Stars for their hospitality during my visit. It was a pleasure to playing and meeting you. I wish you all the best for the tournament and hope you continue to run this historic event for many, many years to come.

Yours,

Giovane Elber

Welcome!

...to the 37th Far East Football Tournament!

Dear participants, dear friends,

On behalf of the German All Stars Bangkok, we once again warmly welcome you to this year's 37th edition of the Far East Football Tournament! After months of hard work to organize this event, we're very proud to host 46 football teams that will participate in this year's competitions.

The number of participating teams is always amazing. We're very happy to welcome new teams each year, but are particularly pleased to have teams join us every year as it proves to us that that the event is worth coming back. Next to teams from Thailand, the German All Stars greet friends from Singapore, China, Brunei, Malaysia, Cambodia, Taiwan, Vietnam, South Africa, Germany, Australia and many more (a total of 15 nations).

The tournament includes different game types (11-a-side and 7-a-side) as well as different age categories with separate competitions for players above 35 and 45. This year, we will have 15 teams fighting in the Open tournament, 21 in the Vets, and 10 in the Masters.

Hartwig Schüler, President of German All Stars Bangkok: "It is my pleasure to welcome you to the 37th edition of the International Football Tournament 2019 in Bangkok, Thailand. As every year, 2018 was a wonderful event and a major success for our beautiful game and we want to continue this success story for a very long time to come. The German All Stars Bangkok annual tournament, this year with 46 teams and players from around the globe, is without doubt one of the best amateur football events in Asia, if not the world. For 37 years many people give countless hours of their free time to organize this event and my cordial thanks going to all involved in the long history of this tournament. Now let us look forward and enjoy a weekend of football, fun and friendship.

Next to some high-quality amateur football, visitors can join free of charge and enjoy a full programme of entertainment, live music by a popular Band and -most importantly- German culinary delights. With 2-day catering provided by local German restaurants, we can all look forward to German specialties and German beer throughout the event.

Last, but certainly not least, we want to thank all sponsors, voluntary helpers, as well as the referees who all help to realize this event in the first place. We wish the best of luck to all teams, look forward to see fair sports and wish you all a great time!

With sporty regards on behalf of the GAS BKK,
The Organisation Team

THE

BAYON WANDERERS FC

The impressive twelfth century Angkorian “Bayon” Temple lends its name to this elegant team, which was established exactly 24 years ago. The strength of the Angkorian Empire is reflected in the depth of this team’s character. The beauty and elegance of the temples is noticeable in the poise and grace with which they take to the field and is clearly seen in their flowing passes and general movement around the pitch. However, if the team doesn’t get what it wants, the horrific brutality of the ancient Khmer kings is clearly evident in their violent and erratic behavior on the pitch. This behavior has been wiped out in the last couple of years with the assistance of a real “Code of Conduct” and the real elegance and grace have been installed.

Bayon are led by their coach, good-old Billy “the Hat”. If the Bayon players are in the mood, they will show his unique brand of total football, developed in his youth, around the time of Jayavarman VII. He intends to pass this on to all his players, who will try to write history in Bangkok.

Bayon Wanderers FC will participate this year with two teams, one for the Open Tournament and one for the Masters Tournament. The veterans will wait till more players reach the blessed age of 45 years old.

This year Bayon Wanderers FC is coming with a n almost completely team existing out of highly respected trained and skillful players and will defend the Bayon colors with all the strength they have. Participating for the 23rd time in the Bangkok Far East International Football Tournament is a huge honor for all Bayon players and they will try to perform on their best. Like always, the expectations for a good result are very high and these players will try their best to reach the highest... to take the two cups home for the very first time. Two years ago they were very close in doing that. This year might be the year of the Bayon Wanderers FC.

BEIJING ROCKETS

The Beijing Rockets is a space-themed live action role play society for male virgins over the age of twenty-five. In Spring 2013, after having rapidly expanded to an unmanageable scale, the society established a five-a-side football team of the same name to serve as an ongoing front activity designed to circumvent government restrictions on pseudo-religious mass movements.

The Rockets' footballing charade in the China Club Football five-a-side league initially went according to plan, with eight straight losses raising hopes that the club would be able to indefinitely maintain a low profile through a 'zero success' policy. However, since exploding onto the world football scene by claiming its first trophy in Winter 2013, finishing the season as Division 10 Runners-Up, the club has been the subject of intense official and media scrutiny. In the course of their continued upward trajectory, the Rockets established an eleven-a-side team in 2016; it has competed since then in the lower tier of the IFFC league for expat amateur teams.

Today the club's international stature is commensurate with the volume of plasticware crammed into its trophy cabinet (nineteen extravagantly-wrought pieces commemorate the Rockets' relentless decimation of some of the world's weakest organised football leagues). Over the past five years, players have been drawn from over thirty countries across every continent except Oceania and Antarctica.

Unwitting Club Ambassadors (UCAs) – distinguished public figures with whom the Beijing Rockets claim official affiliation, and who thereby work to burnish the club's prestige through their own unrelated career exploits, entirely unaware of either the club's existence or their role within it – include five-time world snooker champion Ronnie 'The Rocket' O'Sullivan, former Blue Peter presenter Anthea 'The Rocket' Turner and BBC football pundit Garth Crooks.

This will be the Rockets' first overseas tour and competition. In keeping with the club's inclusive ethos, a wretched rabble of a squad has been assembled on the basis of Bangkok nightlife connoisseurship rather than football ability. The Beijing Rockets is ashamedly sponsored by Sanlitun bar The Local.

CARNEGIES B52 FC Taipei - Taiwan

We are Taiwan's best Expat football team and the most successful.

We have a reputation of playing hard and drinking harder. With over 500 members past and present, when people see our Dutch Orange kit they know they'll be total football (Ajax style), with cold beer (Heineken style) around.

Led by Taiwan's biggest playboy Martin Tromp, and other pretenders, hangers on, deviants and drunks this weekend is what Carnegies boys are made for.

Come over and say hello and let's get a beer together.

FARANGUTANS CHIANG MAI

Open
Team

That's right, we're back again. Younger, fitter, and angrier than ever. We're unfazed by the fact that we've been trying to win this tournament since before most of our opponents were in diapers. A healthy combination of stubbornness and self-delusion will surely lead us to glorious victory in 2019 or 2020 or ...

FORBIDDEN CITY FC - China

Tinder bio: Thick of skin, thick of heart and most of the time, just plain thick, this group of reprobate's hail from lands far and wide. Like a game of Cards Against Humanities personified, someone or something is never far from insult or injury. Willing to do anything for money...

ED - 6 foot & 2 inches. Those are 2 measurements.

BARRIE - No one believed he could get away from the ball and chain long enough to have a wank, never mind a football tour in Bangers. Expect to see a few broken pelvises before the weekend is out. P.S. Barrie, stay off the Valis and stay out the pool you fucking plum!

HAYDEN (TV) - You would have thought a semi-pro skier would be able to run in a straight line and kick a football, not this malco! FCFC's official 'can't find any other job for him' photographer is here to capture the moments we would probably rather not have captured, and make Fez look good at football

IVAN - LakaToe aka 'Freelance' aka Leukaemia Lennon is auditioning for a new life out of BJ and here in BKK. If someone wants to adopt or can find use for this 30-year-old, mind-of-a-12-year-old, shoulders-of-a-60-year-old, this almost house-trained polyglot will translate anything and is prepared to suck dick for a room share.

MIRKO - This Italian racist has served his punishment and just wants to get on with his life. Let's just stop talking about it already, jeez. When not keeping Mussolini's ideology alive, Mirko can be found teaching small children.

TAROH (TV) - Too polite to say no and too naive to fully comprehend what he has got himself in for. Expect headless running, shadow chasing, running into touch and one-man bukkake parties. And all with a smile on his face. Banzai baby.

LEE - Watch out BKK, this is Lee's last weekend before his first marriage. No one is implying that he will be having another marriage in his life as most of us are surprised he is having one at all. In the famous words of Lee's mum, "well done lad, you've fooled another one"

PBK - A big smile, bigger personality and yet somehow a bigger arse still! When FCFC raise the BKK trophy this year, it will likely be due to a PBK-inspired total football recovery. Long live 'The Wall'.

CHARLES - Back to BKK even despite hearing rumours that his managerial talent was being called into question after giving an Australian a penalty kick at last year's tournament. Daft move Gaffa. Everyone knows that only the Dutch and English are worse than Australians at penalties.

CHRIS - Who turns red in the sun, green in the water, and into a sex pest in the evening? Could be any of us really, but this is a special mention to the whitest man ever to think aviators look good. Stay true to form Lappers fella, we love ya.

DENIS - if he's not impregnating you around corners, he's thinking of ways to impregnate you around a corner. Got a big dick, got to use it. Fair is fair.

Special talents include spontaneous and complete renditions of 'Bad Touch' by the Bloodhound Gang, and the ability to shelter, feed and clothe a small family in his eyebrows.

PAUL N - This ex-banker traded the vics of Beijing for the dics of Shenzhen. After the change in beat, is the edm master living the healthy cranberry life, will we witness the notorious one-touch volley or is it stuck in basement, Jack?

BAS - If football is a cake this guy is the egg because he can run. When he is not busy baking his next batch, he's trying to land his next catch, the one question remains will he outBas the Baz?

OLAF - After his secret lover started making paintings and sending them to his hotel room he decided it might be time for a sabbatical. Selling his sister to Felix gave him the money to take a 4month adventure to discover his heritage... short, dark hair, well at least he can play football like the Dutch.

FRAN - Having made his way into the team and this tour by spending almost a year massaging the gaffer's groin, we are surprised that he managed to take time out from constantly checking his hair is in place to catch his flight. If he hasn't turned up at the pitch, chances are that someone left a stray Burger King on the floor somewhere...

DIEGO - After losing his Tour Virginity last year, falling in love with the club and his team mates to the point he got tattoo to show his dedication, Diego decided to step things up a notch this year. Having taken a girl back to the US to make her believe he loves her, he has brought her out on tour with him for us all to share.

ANDREA (TV) - He has threatened to join us on tour for a while now, but finally hitting puberty and being able to grow a moustache has given him the confidence he needed. Despite looking like a bona fide pornstar, this tour might just be a little too much for his soft Italian underbelly.

WITHEY - Given that he was sick at just the thought of leaving last year's tour, it was never in doubt that this Trump-loving, light bulb pimp would pitch up on Daddy's yacht this year.

JORGE - FCFC's Man of Tour last year, he is also the man to avoid if hiding from a bear in the woods. Period.

TOM - Carries around his London hood-roots next to that chip on his shoulders, which is placed just above that huge back tattoo of his. Don't bother trying to learn his name to call to him on the pitch, he never passes the ball anyway.

The German All Stars Bangkok Football Club and perennial hosts, celebrated their 50th anniversary last year, having been founded in 1968 when Günter Glomb started his 17 years' tenure as head coach of the Thai National team.

Besides Mr Glomb's third place at the Asian Championships in 1972, his legacy in the form of the German All Stars remains until today and all involved are in no doubt he would be proud to see the club continuing to run as it is today. The club was a founding member of the current Bangkok Casual's League and the Casuals team has established themselves as a regular in the top four of Division 1 after winning the Division 2 championship title in 2013. Having come close to winning in each of the last 2 seasons the team is as hungry as ever for success and are the current Lufthansa Cup holders for the 2 previous seasons.

Despite the long history of the club, the German All Stars are anything but old fashioned. The team consists of all ages and nationalities. With an average of 60% German players, the club is particularly proud to welcome team mates of any age, having any skills, from any country, playing in any position. The majority of players are expatriates living and working (or studying) in Thailand with all sorts of different nationalities and personalities including players from Great Britain, Turkey, the Netherlands, Bavaria, Italy, France, Spain and - of course - Thailand!

Despite winning the Veterans category last year it wasn't quite as successful a campaign for the Open team who failed to retain the trophy in the year of their 50th anniversary. That has not been lost on the squad and there is an added determination to bring home the silverware in both categories this time around!

It has been a challenging year in the Casuals League this year for the all-stars but there is still plenty to play for and as always, the annual Far East Football Tournament is the absolute highlight for everyone. The whole team is looking forward to competing and enjoying an ice-cold beer from the trophy with all teams afterwards. May the best team win!

THE HANOI CAPITALS - Vietnam -

We are the Hanoi Capitals. We are Hanoi's finest expat team and sometimes we can actually play football. We are a team full of dicks and a match rarely goes by where we don't manage to embarrass ourselves. This is our 25th year as a club and we hope to celebrate this by scoring at least one goal.

Last year was the first time we played in the tournament and we absolutely loved it, so much so that three of our players decided to settle in Bangkok and sell sex toys on Sukhumvit Road. Watch out for our club captain, Gary Goals - he once broke another player in half and threw his lifeless corpse in the sea.

★ RED STAR

Bóng đá và bia

It is the second appearance of Hanoi Red Star at the far east tournament. After an enjoyable first participation last year, we are glad to be back in the open competition and bring our fun/competitive spirit to the event.

Founded in 2011 under the creed "Bóng Đá và Bia," Red Star FC pay heed to the fact that football is a game of three halves; that what happens after the game in the hallowed halls of the bia hoi is just as important as what happens on the pitch.

With players from more than 13 countries and all walks of life, we are all about finding common ground, having a lot of fun, and achieving collective success, both on and off the pitch.

See you all in bangkok,

SAIGON HOTSHOTS

After a year of celebrating our win last year,

HOTSHOTS is back – **AHOU AHOU AHOU** !

This year, we brought our B team and I can tell you that it's ugly but hold on and get a taste below, of who you will play against:

Andy, our little Scottish man may look geeky and be vegetarian but don't trust the appearances, he will give you a tough time. **Chris** runs hundreds of kilometers per week, he is our headless chicken and if we are lucky he will even touch the ball from time to time although games are short. **Leo** could more than ever qualify for the vets but still insists to play with us which is a good news

for you guys. As an Argentinian, winning titles aren't in his blood but the hope is there and it's what matter! **Viet** (aka "Good guys") will be our official translators during the weekend, any questions, please go to him. If you like your legs, watch out as he enjoys to blindly leave his box for some nicely targeted throat tackles. **Peter Nguyen** (the only legit one) is small but fast, but small- so don't forget he is here, you could pay for it. **Ben** has spared a few days between two poker tours to give us a hand. If he goes as "all-in" as he does in spankies, we are good. **Antoine** is our wiseman, with France winnings the world cup, Rennes qualifying for UEFA quarter finals and him being top 3 scorer of our team - it looks like planets are aligned! **We want goals Antoine!**

After 3 months (yes!) of holidays and some dark business trading operations of non-corrupted properties in Vietnam, **Bati** is looking for a way to launder his money. Contact him for free booze. Our Chilean goleadores **Alex** has demonstrated so many times he has really good skills in basketball and we are still figuring out how we can benefit that. Hopefully we will find out here!

Straight from the hospital where he has a Platinum membership, **Max** (aka "Abou Gourcuff Diaby) has thin ankles (aim for the left one) capable of magic. Please contact 0914883021, insurance policy No 89017653 if you find him injured somewhere. Thanks in advance. **Antoine** from Redstar will be our secret weapon this year again and we hope he does as good of a job as what he did last year to get us to the title, cheers Antoine, really appreciated!

Milan is a pure talent able to dribble anyone including himself. We will be imposing a two touches max policy with him so do not surprised if we give you the ball back from time to time! **Tom** will be our central defense pillar, you should have a good time with him if you are striker. If you can understand his accent you might even become good friends. Enjoy! Our local man **Joe** has personal connections with hooters (let us know if you go there). Last year, he did not even play with the right team shirt... let's hope that this year he does not forget it...focus **JOE** focus!

Matt has some unexplained connections with the Royal Family in Dubai and you do not want to fuck with him. Anyone running faster than him will be bought off and sent to Qatar to build some kind of football stadiums. After missing the title winning penalty last year, **Clem** has officially been banned from all penalties in the 2019 edition. Sadistically, he is looking forward to see who will step up and secretly hopes he will get a second chance so he can break this curse.

Once more, **HOTSHOTS** is looking forward to a great tournament and hope to meet many of you on and out of the pitch! Have fun guys! **AHOU AHOU AHOU**.

SAIGON SAINTS - Vietnam

Universally regarded as the last bastions of proper amateur football in Saigon, the Saints have been bringing their unique brand of total football to the city's pitches and watering holes since 1995.

With a mixture of gnarled experience and youthful innocence, and a squad comprised of current stars as well as past legends, the bookies are expecting big things from the Saints this year.

SWISS FC ASIA-Singapore

After a few disappointing seasons, Swiss FC merged with the German All Stars to form German Swiss All Stars.

The Team - Swiss FC Asia - mainly made up of current and ex- Swiss FC Singapore players. The core of the team is very much Swiss - with representatives from Italian/French & German speaking parts of the country.

Bangkok sold itself: Not much negotiation required, but we managed to pull in 'retired', 'exiled' & 'lazy' legends from the past, to form the ultimate "dream team". With players coming from Singapore, Hong Kong, the Middle East & Switzerland, we are hoping that despite our aging bodies, we use our experience to good use. To the Team: remember 2008, 2010, 2011, 2014 "Bangkok Spirit". Most important, we want to have fun together, enjoying ourselves !!!

Thank you very much GAS BKK for once again arranging the tournament and carry on this wonderful tradition, the sponsors/volunteers/organizing committee/ referees - thank you, and all participating teams, have fun and see you on the pitch !!

This year Bayon Wanderers FC is coming with a n almost completely team existing out of highly respected trained and skillful players and will defend the Bayon colors with all the strength they have.

Participating for the 23rd time in the Bangkok Far East International Football Tournament is a huge honor for all Bayon players and they will try to perform on their best.

Like always, the expectations for a good result are very high and these players will try their best to reach the highest, to take the two cups home for the very first time. Two years ago they were very close in doing that. This year might be the year of the Bayon Wanderers FC.

CARNEGIES B52 FC Taipei - Taiwan

The more mature and distinguished offshoot of B52 Carnegies Team will once again travel around Asia for some footy and party. Slightly slower, slightly more rounded but definitely one year wiser, the team will hopefully be ready for the slightly longer format of two days of football.

The team has an internationally diverse team sheet with USA, Holland, Russia, Italy and other exotic locations represented.

Football at its finest bringing the world together like it should!

DISCOVERY BAY FC HONGKONG

Discovery Bay FC (DBFC) players are always ready to put their football boots on and play abroad. 2018 was a glorious year for DBFC. We won the Hong Kong Legend League for the first time and, against all odds, the famous HKFC Citibank Soccer 7's live on TV!

This was a wonderful window opportunity to commemorate our team mate and friend Robin Armstrong who sadly passed away a few months earlier.

So, we are back in Bangkok and we'll try to perform better than 2 years ago. And then, whatever happens, we'll party hard to celebrate our victory or most probably comfort ourselves after a hot and painful day on the pitch.

ENERGIE EHRENFELD - Germany

It all started on a stormy day in spring 2006, when 6 friends from the Sports University of Cologne freed their table tennis rackets from dust and celebrated an epic tournament - braving storm, rain and lightning. ENERGIE EHRENFELD was born.

In the course of time, the circle of friends expanded and the spirit of friendship became closer and closer - based on joined experiences in Italy, Belgium, Holland, France, Austria and the Philippines. And frequent trips to ENERGIE EHRENFELD's basecamp in Torrox, Spain. Also, it was the first trip to Finca Luz in 2006 which made the friends implement their status as an official club, celebrating this foundation with ENERGIE's legendary signature drink: Gin Schraube.

Over the years, the friends went through thick and thin. Supporting each other and celebrating hard. Most party nights started and ended at the famous table tennis table of Saint Chuck. It became obvious; the team loves competition. Big time. Thus, ENERGIE EHRENFELD pushed the boundaries and went beyond just playing table tennis. Adding padel, tennis and beach volleyball to the list of sport activities. Nevertheless, the sport ENERGIE loves most is 'tennis football'. A fun sport, where you play a ball over a net, or a bench, or a site fence or whatever. Whenever. In whatever state of mind or condition.

It was ENERGIE EHRENFELD's team captain Chuck79, whose job as a soccer coach in Southeast Asia brought ENERGIE EHRENFELD's ambitions into a global context, by registering for one of the most exciting soccer tournaments on this planet. This is actually ENERGIE's first soccer tournament ever. Thus, the ambitions are hard to predict. But the team is looking forward to technical showpieces, tactical masterpieces, exciting games and a lot of fun. And the friends are on fire. Hoping to share with you the winner trophy well-filled with Gin Schraube.

FARANGUTANS CHIANG MAI

VETS
TEAM

For the past **15 years** Farangutans FC from Chiang Mai, Thailand have represented the best of sportsmanship and family values. We look forward to continuing this tradition again in Bangkok this year.

Don't be fooled by our overtly sexual uniform, or that we show up hungover & late to games. We are serious footballers who deserve nothing but your fear.

FC FARANG, Koh Phangan, Thailand can this year celebrate 10 years anniversary.

On our messenger member list we can today count 40 active players from all over the world.

We are training/kick-about 2 times a week on Phangan Islands one and only artificial pitch.

We've been joining tournaments in many parts of Thailand. Surat Thani, Koh Samui, Songkhla, Nakhon Si Thammarat, Trang and Bangkok.

The concept is clear : Football & Friendship.

This year yet again, we are looking forward to join the German All Stars FEFT. It's always a pleasure to play in this well organised tournament. Great pitches, great organisation, great people and great food.

Our squad will as all the other years be a mix up of nationalities. We will be playing in the veterans cup with players from England, Thailand, Belgium, Italy and Denmark.

FC SUPER 48- Shanghai

FC Shanghai Super 48 is one of the biggest Japanese football clubs based in Shanghai. We were established in 2008.

Someone says our founders might be found of a Japanese popular idle group called "AKB48". Actually, "48" is the average age of our founders and "Super" is the pronunciation of "48" in Chinese language. That is why we named "Super 48".

Team members are 40 years or older basically. Several people are over 50 years old. We are crazy for football!

Our team concept is "Playing football in the whole life". We enjoy the team growing with a good friendship among team members by enjoying football and drinking together! We would like "all the super footballers" to enjoy football with friendship in the Far East Football Tournament.

Let's enjoy football and beer after football!

FORBIDDEN CITY FC - China

This is FCFC's first participation in the Vet's Tournament. Repeated on pitch failures in the Open Tournament have resulted in Senior Management sending our most experienced reprobates this year in search for that elusive first trophy...

BLYTHE- As a physical presence, BlyFu San has more in common with a snowflake than his Hollywood hero Kevin Costner. He speaks elegantly, wears tweed, and doesn't so much make an entrance as drift to a halt. Most men with the amount of bed post notches he has have a force field. BlyFu, despite standing about six feet 2 tall in skin tight attire, has none—and yet the women of China and Japan flock to him in droves. Life by Blithe has never been better.

TC and his +1 - Little is known of TC other than the fact he is the by-product of a three-way gone wrong between Ann of Green Gables, Billy Elliot and Roy of the Rovers. Also is a Geordie.

JOCHEN - All hail the return of the Scuba Master! Former midfielder enforcer and Club Chairman - known once for his interminable (but heartfelt) speeches, Jochen now lives a quasi-hermit lifestyle in lonely Tianjin. While he is not pounding the same (and only) 2 girls on tinder out there, he likes to go on long walks in the country side.

SCHLONG - Take a day off work and you are very likely to bump into this club legend. He'll be sat at one of Beijing's finest cafés, sipping on a Triple, Venti, Half Sweet, Non-Fat, Caramel Macchiato, while pondering life's toughest questions such as whether his wife would find the 20 year old sat next to him as pretty as he does.

LUCA - This Italian enigma has been promising a flyby visit to BKK for the last 7 years. Will the perennial no-show deign to grace us with his presence? Now a father, Luca spends most of his day reminiscing about the days when he was once known as the Italian Stallion.

INIGO- Travelling all the way from Brazil... Inigo... will ...**FUCK YOU UP** (you've been warned)

MULE - Club legend - The Ginger Mule is famous for his never die attitude and "one for the road" drunken rants. A teacher by day, Mule spends his evenings convincing unsuspecting females that he made it through school (as a young redhead) without permanent mental scarring.

JIMBO - Brought up on a hippy commune south of Nottingham, Jimbo is a free spirited "crazy horse" whose extensive football experience will serve him well as he takes on the challenge of channelling energies and ensuring that our team member's root shakra deficiencies are rebalanced both on and off the pitch. Also a Scum tour Virgin.

MATTI - is undecided yet as to whether he should spend the weekend with his in-laws or with his mates - for that very reason I refuse to write a profile depicting him as a mental scouse gobshite - you mental scouse gobshite

PHILIPPE - When he's not getting DNF'd on fun runs, this guy tries turning back the biological clock any way he can but getting rimmed in BKK ain't gonna help. His last hurrah before he has to admit to his long-suffering girlfriend that and won't get her pregnant, you know the Corsican mountain goat is all in!

FEZ (TV) - Where to start with this fuckwit! After ten years in BJ, and more failed marriages than the Kardashians, this Donny skinflint has finally saved up the money and the bollocks to come on tour. We're expecting...well, not a lot, from this tour virgin.

GAELIC LIONS FC - Singapore

The Singapore Gaelic Lions Football Club was founded in 2008 and last year celebrated 10 years of footballing expression. The club currently fields four teams at different levels on a weekly basis in Singapore including the Vets team participating for the first time in the International Far East Tournament.

The current side first played together in Stuttgart in the summer of 1988 coincidentally all relocating to Asia 30 years later and reforming for one weekend only. Led over the course of the weekend by Captain Jason 'Men of the Match' Stanistreet this rag, tag bunch of footballing misfit are looking forward to testing their unique skills against Asia's finest. They have been settling into the team base in Heritty's Irish Pub under the watchful eye of Jay 'ger out of my way lad' Ding on a strict diet of booze and fried meat.

Watch out for Sean Wall's deliveries over the course of the weekend as he looks to find Kevin Mc with raking balls from the back. He likely won't find him first game on Sunday morning though as local resident Kev has promised a cultural guide to Bangkok. Alongside Sean at the back Phil 'Turbo' Riordan is likely to make his trade mark bursts getting the ball to the timeless midfield of JC Burkey and Joe Trolan. Alongside Kev upfront Sascha, a former circus performer who the lads found in Stuttgart, will provide ice cold finishing. Ste 'The Power' Middler adds Scottish steel to the ranks with his battered Mars bars at half time sure to give the lads an extra bit of energy come the knockout stages. Finally, Mick Mc will be providing the last man back instructions and looking to limit Kev's influence so that Sunday doesn't become a day of rest.

We would like to thank our sponsors DHL and the organisers. Looking forward to a great first tournament.

The Cup Holders!

The German All Stars Veterans take part in the monthly Vets Tournament held normally every first Sunday of the month in Bangkok. The German All Stars Veteran team used to be the oldest and maybe heaviest team in most of the tournaments but that has changed. Most of the Casual's players are now eligible to play Veteran's football meaning we're a far more competitive team.

Just like their younger team mates from the Casuals team, the Vets are particularly proud to have team members from all around the world.

Besides playing football, the German All Stars Bangkok players, family members, friends, sponsors and supporters are engaged in many social activities e.g. the yearly Christmas Party, the annual Season End Trip and regular after match BBQ's.

The Far East Football Tournament is always a highlight in our calendar and the Vets look forward to meeting old and new friends during this weekend. Wishing all players, families and supporters a great football weekend in Bangkok.

HIBERNIANS FC - Singapore (VET'S & Masters)

The Hibs are once again pleased to be entering the GAS Easter Tournament and have carefully selected a squad containing plenty of footballing ability, petty squabbling, heavy drinking and bad behavior. We are hopeful this rare mix of skills will serve us well as we try to secure our first piece of silverware of 2019.

At time of writing, it doesn't look like there will be too many new faces on tour with us this year. Considering the average age of a Hibs touring squad, some would say it comes as no surprise. At least everyone knows what to expect come Saturday morning...

The Hibs have undergone something of a transformation in 2019 with a number of changes in our committee structure. If you want to hear more about it, then do look out for our President on tour – he will be the one arranging the wall and asking you to pay for it. Alternatively take a look at our 'Hibs till I die' miniseries on youtube – fortunately the producer wasn't able to join us in Bangkok as that would have been an entertaining episode.

One of the biggest amateur football clubs in Singapore, boasting 6 teams in various leagues throughout Singapore, it's our pleasure to come and try our luck in the 33rd International Far East Tournament. Up the Hibbees!

KELAB AMAN FC Malaysia

Club Aman (CA) which literally means “Peace Club” is the home of the Selangor Sikh Union. The club was built on the foundation of a binding factor to all Sikhs in Malaysia to come as one. In the areas of sports and cultural, CA remains the epicenter for the Sikh community’s cultural functions, carnivals, hockey, cricket, football and other sports.

Support and unity has always been the fulcrum of this wonderful club. From the management-past and present, Soccer Convenor, the facilities team and the players together with a set of powerful yet passionate supporters. CA have always blended and preserved the spirit of sportsmanship and camaraderie. We are actually one big family coming together for “The Beautiful Game”

CA veterans have won countless tournaments. Blessed with a rich blend of local footballers and talented multi nationals, CA competes in every tournament and game with the normal high expectations to do well. It’s in our nature and blood to give it all and bring back the glory to our beloved club.

After the games, the party begins. The brotherhood takes over as the rivalry slips away and gives way to our true nature. The beers flow generously and winning makes it extra sweeter. We may be competitive but at the end of the day, we are all brothers coming together for some good fun on and off the football field.

Malaysian Grasshoppers

Kuala Lumpur - Vet's & Masters

The Malaysian Grasshoppers were formed in 1993, predominantly for the German speaking community in Kuala Lumpur. The basis of the team was to play hard and socialise even harder.

Over the years the MG's have become international in nature and have welcomed many local Malaysians to play with them.

The name Grasshoppers emanates from the Swiss team Grasshoppers Zurich, and the MG's have tried in vain over the years to match their illustrious European counterparts for style and quality.

Nevertheless, win or lose, the MG's have Premier league status when it comes to the 'third half' with many players shining more in the bar than in the box. The future looks bright for the Malaysian Grasshoppers as the number of players continues to increase, and the standard of play improves with every weiss beer consumed.

We play every Saturday morning at the Linatex Field from 09:00am until 11:00am.

Until today, the MG's are group of friends who have the excuse of playing football every Saturday to have a beer and a laugh after the game.

NEW TEAM FC Malaysia

We are returning back to Bangkok this year, after multiple attempts to take the trophy home, under the name of 'New Team' as a need of reviving ourselves to achieve our common goal (the Veteran's cup) as well as a greater purpose: playing football with good friends embracing the fighting spirit, trusting each other and last but not least the respect of the referee and opponent.

Most of us are coming from Malaysia, Kuala Lumpur, and the rest from beyond the horizon.

We look forward to step upon the field to claim our first victory !

Olympic Barbarians

Again, Olympic Barbarians will be taking part in the Vets tournament.

This year's team is very similar to last year's team with players from Vietnam, Thailand, Singapore, Japan, Italy and Philippines.

It's always a pleasure to participate at the GAS tournament, mainly for the organisation, but also for the healthy competition on the pitch.

This year, we have kept the same "spirit" as before, which is "PLEASURE TO WIN".

We're hoping we can be competitive again and win this tournament for the 3rd time but we're 1 year older than we were last year although our motivation is younger!

See you on the pitch....

(Vet's)

Red Star KL is a Malaysian football team, established in 2001 and made up of Scots, Malaysians, Indians, Filipinos, Welsh, Americans, oh and English. We play in the WVFL social veteran league in Kuala Lumpur.

Our Masters team this year will be mostly the original team members so as Glen and Slugger have a combined football experience of 120 years, expect to see the first aiders working overtime.

Whereas we know our babies (vets) team will be full of vigour and stamina as they love to visit the various health spa's while in Bangkok such as Nana, Soi Cowboy and Hooters.

As usual we will be coming to the tournament hoping to play some good games, have pitch side massages and some good German beers in the cool temperatures of Thailand in the best organised tournament in Asia.

SHANGHAI SHOOTERS

The Big Bamboo Shanghai Shooters Football Club compete in China's top amateur expat league- the Shanghai International Football League (SIFL) and last year celebrated our 20th anniversary as the most successful football team in the league's history with 10 SIFL Premier League titles and 10 SIFL Cups

However, our the on field success of the noughties has not quite translated into success a decade later possibly due to our Paul McGrath-like post-match diets at the sponsor pub, but it's always easier in China to simply blame the air and put it down to pollution.

We've had success at our local Shanghai Master's Cup but none yet overseas and have found this Bangkok tournament a much tougher proposition with its lack of air pollution and temperate playing conditions of 30 degrees in the shade. This year we hope our cheese-eating French contingent from our class of 2012 can handle better than the Brit pie boys of 2006.

We wish everyone a great tournament. Many thanks to our sponsor the Big Bamboo for making this happen for us and to the organizers and sponsors of the tournament.

STICKBOY FC - BANGKOK

Bigger and older than ever.

Stickboy FC are veterans in Thai vet tournaments but make their debut as a team in the Far East Tournament 2019. This lackadaisical Vets team features such superstars of the Bangkok football scene such as goalkeeper-for-hire Neo, midfield engine; Sam and "pacey" winger; Vern. Jimmy has also been let out of the house.

Cool the beers, we'll be out by lunchtime.

SYK FC - MALAYSIA

SYK FC Malaysia is a team gathered by a group of friends who were love playing soccer.

SYK FC has been established for more than 20 years. All players are well experienced and always ready to cope with every game challenge. We have participated in many contests around Southeast Asia and are looking for more challenges.

We hope we will meet more stronger teams in the future.

Come on, come to challenge SYK FC!

TOTOS TITANS Thailand

The gathering of people who love soccer around the Bang Na area of Bangkok. Keen to meet more friends who love the same sport.

Good luck to all teams participating in this weekend's tournament.

BTCC BANGKOK ANGELS

=Thailand =

Started in 1921 by Trevor and Greg as a social team for communists, greengrocers and retired journalists, the Bangkok Angels has grown to become one of Asia's most average teams with over 50 occasional members.

Greg Watkins a pompous, if essentially brave and unerringly patriotic local bank manager
Steve Kerr, a dour Scottish undertaker. He served at the Battle of Jutland as a ship's cook and also has a medal for having served on Shackleton's Antarctic expedition. He grew up on the Isle of Barra. His catchphrase is "We're doomed. Doomed!"

Shaun Muldini is a master of disguise. He dresses most often in a white safari jacket and black leather gloves. He also is constantly seen smoking a cigar. His catchphrase is "I love it when a plan comes together".

Jason Dinelli is a master of the persuasive arts. The team's scrounger, he can get virtually anything he sets his mind to, usually exploiting women with sympathy-appeal and flirtation. However, he is not without integrity. He dresses suavely, often appearing in suits.

Dan Biggest, he's a big bastard.

Martin Tallest, he's a tall bastard

Simon the Bastard, Bastard

Rolly is the muscle for the Team, able to perform exceptional feats of strength. He is also the team's mechanic. | Generally wears overalls and leopard or tiger print shirts .

Neo is the Team's keeper, and can fly any kind of aircraft with considerable skill. However, due to a helicopter crash in Vietnam, He lives in a Veterans' Hospital in the mental wing

Marco, a diffident, upper-middle-class Chief Bank Clerk who would quietly question muldini's judgement ("Do you think that's wise, Sir")

Trevor the local butcher, born in 1870. An old campaigner who enlisted as a drummer boy at the age of 14 and participated, as a boy soldier, in the Gordon Relief Expedition of 1884–85 and, as a man soldier, in Kitchener's campaign in the Sudan in 1896–98. Often seen as fastidious and old, he is the world's worst worrier and has a catch phrase of 'They don't like it up em!'

Matt Alden revealed that he wasn't called up because of an allergy to corned beef.

Chadders, a cosseted, somewhat immature mother's boy, often wearing a thick scarf over his uniform to prevent illness and a frequent target for derision.

Colin, the bulldog of the teams. He suffers from severe shell shock from his experiences in the war, and suffers from violent outbursts, constant mood swings, and sugary cravings.

BRUNEI OLD BoyZ FC

The Brunei Old Boys FC (BOB) was founded in 2008 in Bandar Seri Begawan, Brunei.

We have a proud history of having more than 20 nationalities representing our team over these years.

All our players have a common interest, which is enjoying every moment of football fun both on and off the pitch.

We always participate in 5 overseas tournaments, yearly.

CAPE TOWN CITY MASTERS

The Cape Town City Masters team are a motley crew of players that have been playing together for many years out of Camps Bay Football Club in Cape Town.

If you haven't been to Cape Town, you've got to visit the suburb of Camps Bay, one of CT's most beautiful beaches with a host of trendy restaurants and bars.

This is our first year at the tournament, but we hope that it will be the start of many more to come.

FARANGUTANS FC

THE FOCUS ON TRAINING MAY NOT BE THE SAME THAN IN THE EARLY DAYS BUT OUR EXPERIENCE WILL SURELY SURPRISE MORE THAN ONE OPPONENT. RUNNERS-UP IN 2018 WE HOPE TO DO BETTER THIS YEAR.

THE GAS BKK TROPHY IS THE ONLY ONE WE MISS IN OUR COLLECTION! SO FAR...

German Club Manila 1906

The GC Eagles actually should be called GC Cebu Eagle Camels as we, this year, are a team consisting of the German Club Manila Football Team Before German Club Cranes) supported by players from Dubai (thanks to Dirk) and former players who are now based in Cebu and Singapore. That doesn't mean we are better than last year but we definitely will have a lot of fun and a few cold beers.

Our "Mannschaft" for BKK:

Michael Lüdtkke (first standing on the left),

Roland Odenthal (4th),

Michael Scheile (standing on the right),

Klaus Bücheler (front 2nd from left),

Erdal Kolca (3rd),

Stefan Langenhan (5th),

Not on the photo are:

Dirk Grebenteuch, Andreas Biesing and Stefan Biegert (both from Dubai)

Franz Baumann and his French friend (from Cebu)

Tuncay Bockin from Singapore,

and our - thanks a lot- sponsor, Jim Godesmit!

MAJESTICS 7's Perth -Australia-

THE PERTH SEVENS SIDE IS COMING BACK.

WE DON'T KNOW HOW WE ARE STILL MANAGING TO GET A TEAM ON THE FIELD BUT DOWN TO OUR LOVE OF BEER AND FOOTBALL (PLUS OTHER THINGS) WE MANAGE.

WE HAVE HAD TO RECRUIT THIS YEAR AS HAVING A TEAM WHERE MOST OR ALL ARE NEARING 60 WE HAD TO GIVE IN AND BRING SOME YOUNGER 50 YEAR OLDS.

THIS SHOULD GIVE US SOME GREAT PACE AND LESS SCARY NOISES WHEN CHASING AFTER OUR OPPONENTS.

THE PERTH LADS LOVE THE 7'S IN THAILAND AND WE WILL ENDEAVOUR TO GIVE A BETTER ACCOUNT OF OURSELVES WHERE WE AIM TO TRY AND GET AT LEAST ONE WIN THIS YEAR TO BETTER OUR RESULTS FROM LAST TOURNAMENT.

WE ALL AGREE THAT THIS IS A VERY WELL ORGANISED EVENT BUT WE ALSO THINK THAT THE ORGANISERS NEED TO CONSIDER THE HEAT AND THE EFFECT IT HAS ON US AND OFFER FREE BEER BEFORE, DURING AND AFTER EACH GAME.

ALL THE BEST TO OUR COMPETITORS AND WE ARE HOPING THAT OLD AGE CATCHES UP TO YOU ALL VERY QUICKLY AND THAT THIS MAKES YOU STRUGGLE FAR MORE THAN YOU ALL HAVE IN THE PAST SO THAT WE CAN GET CLOSER TO YOU ON THE BALL.

PERFECT GAS - BANGKOK

The Perfect GAS Boys are proud and happy to be back after one year of absence to the prestigious 37th edition of the Far East Football Tournament in Bangkok. It is a great opportunity to bring a couple of experienced former casual Bangkok football players together, since chances to meet and even play football together are getting more and more rare. After getting older and more experienced we are certainly trying to bring all our smart ideas we have before the game starts onto the pitch and play a successful tournament. However we are experienced enough to know that heavier not always necessarily means stronger, so we anticipate at least a successful tournament on the beer benches.

We are looking forward to meet again many friends from all over the world and hope for another fair and friendly weekend of football in the likely soaring heat of Bangkok.

Three-horse affair in Farang League
 THE second half of the Farang Soccer season kicked off last week with the Germans and Scandinavians sharing top spot followed by the Indians one point behind...
 The league has turned into a three-horse race with the remaining five clubs out of contention for any honours...
 In last week's matches the Germans struggled to a 2-2 victory over bottom-rung TSD whose goalie put in a magnificent performance in an effort to earn his team a surprise point. However, goals from Wolfgang Helms, Uli Freund and Adolf Knees gave the Germans the two points they needed to put them top of league on goal average from the Scandinavians who were without a game...
 In other matches ISB put paid to any lingering hopes the Swiss may have had of keeping within sight of the leaders by beating the Mountaineers 2-1 while the Cosmos were unable to raise a team against the British Club and forfeited the match 5-0...
 A friendly match between the British and a special Cosmos XI turned out to be a highly entertaining 2-2 draw featuring spectacular misses by the British Club forwards whose names are being withheld to protect the guilty. Steve Balme, Chico Manser and Dave Cobbet spearheaded the British attack while at the other end British Club defender Graoper Richards spearheaded the Cosmos attack...
 The most interesting match this weekend is the Swiss-Scandinavian clash although the Vikings must start out favourites over the unpredictable Swiss. ISB have a chance to climb further up the table when they play bottom-placed TSD while on Sunday morning the British Club will be pushed to get a point off the high-flying Germans...
 Matches this weekend are as follows:
 TOMORROW (ISB vs TSD 8 p.m., Cosmos vs Scandinavia 8 p.m.)
 SUNDAY (Germans vs ISB 10 a.m., Cosmos vs TSD 10 a.m.)

Part of the

Rules of Competition 2019

In general, all FIFA rules apply to this Tournament (except of corruption). Major exceptions and clarifications are described below. In line with officially practiced FIFA rules, the Referee's decisions are final. No one shall dispute his decisions in any way, on or off the field during the tournament.

- In accordance with Article 3 of the FIFA Statutes: Discrimination of any kind against a country, private person or group of people on account of race, skin colour, ethnic, national or social origin, gender, language, religion, political opinion or any other opinion, wealth, birth or any other status, sexual orientation or any other reason is strictly prohibited and punishable by suspension or expulsion.
- There will only be one referee during each match (no linesmen).
- The 36th International Far East Football Tournament will have a "no-age-limit", "11-a-side", "11-a-half", "full-field", "no-offside", "rolling subs", and "yellow-card-sit-out-the-half" format in the OPEN Competition and a "over 35-age-limit", "7-a-side", "7-a-half", "half-field", "no-offside", "rolling subs", and "yellow-card-sit-out-the-half" format in the VETS and MASTERS competitions.
- Players shall be allowed to play for more than one (1) team in the entire tournament, only if the Captains of the two (2) relevant teams and the player who is switching teams agree to it.
- According to FIFA rules, shin-guards are mandatory equipment.
- In the Group Phase, each team shall be awarded with three (3) points for a win, one (1) point for a draw, and zero (0) point for a loss.
- In addition, one (1) - and, only one (1) - extra bonus point shall be rewarded to the winning team that can score three (3) or more goals in one (1) match. This means a maximum of four (4) points per match for any winning team.
- All matches shall be played according to the tournament schedule as announced by the organizers during captain's meeting. Any team arriving more than five (5) minutes late after the scheduled kick-off time, their match shall be considered as forfeiting the match with 0-2 walk-over. The punctual team shall be awarded with two (2) goals and three (3) points. If both teams are late (usually Sunday early morning matches!), they shall both be penalized with a 2-0 loss.
- A team must have a minimum of eight (8) Players (5 for Vets and Masters) at the start of each of their matches; otherwise the team shall be considered as forfeiting the match with a 0-2 walk-over. The opponent team shall be awarded with two (2) goals and three (3) points accordingly.
- Unlimited rolling substitutions ("rolling subs") are allowed, and players who are substituted are permitted to return to play at a later time within the same match or later matches.
- Substitutions shall be made as the two (2) playing teams see it fit without stopping the match. Since it is rolling subs, the on-coming substitute shall exchange places with the out-going player at the same spot on the same sideline.
- In the interest of fairness and controlling rough tackles & late hits, any player receiving a yellow card during either half of a match will be sent off, without being substituted, until the end of that half during that match ("yellow-card-sit-out-the-half"), leaving his team one (1) player less for the remaining minutes of that half. The yellow-carded Player shall be permitted to return to the same match in the 2nd half or play in his team's next match. A Player with two (2) yellow-cards collected in one (1) match shall automatically be sent off, and is suspended for the next match.
- A direct red card shall also lead to an immediate send-off from the match as well as an automatic penalty of one (1) match suspension, with the possibility of further disciplinary action by the Organizing Committee.
- The following four (4) criteria shall apply so as to decide the group rankings: [1] Goal difference, [2] Goals scored, [3] the score of the match between the deadlocked teams, [4] Sudden-death-penalty-shoot-out. The winning teams in all competitions shall continue on playing through their Quarter Finals, the Semi Finals and the Final.
- In case the teams draw at the end of the regulation time for the matches there shall be a penalty shoot-out immediately, without playing any extra time, following the match to decide the winner of the match.
- The following rules shall be observed for all the penalty shoot-outs in this Tournament:
 - > Before the shoot-out, each team shall select their initial three (3) penalty-taking Players from the players on the field, and register their names & numbers with the Referee.
 - > In case it is still a draw after the initial three (3) of each team, the winner shall be decided based on the sudden-death penalty shoot-out rule. In case it is still a draw after all the Players in either of the team's roster have taken penalties, then the turn rotates and re-starts from the first (1st) Player in the initial three (3) penalty takers based on the sequence of Players and their shirt numbers as recorded by the Referee.
 - > The goalkeepers of the teams during the penalty shoot-outs can be chosen from any Player within the entire roster of their squad; however, (barring a serious injury situation) teams shall not change goalkeepers during the middle of a particular penalty shoot-out.
- The winner of the Final Matches (whether in regulation time or after a possible penalty shoot-out) in all of the competitions shall be declared as the champions of their respective competitions; whilst, of course, the winner of the Cup Competition being the Tournament Champion.
- Any event not covered above shall be discussed and decided by the Organizing Committee of German All Stars Bangkok during the 2-day Tournament in consultation with the Referees Committee. Inevitably, but authoritatively, their decisions are final!
- In the Vets and Masters competitions no sliding tackles close to an opponent. Goalkeepers can slide in a fair way inside the penalty box, outside the box the same rule applies for him as for a field player.
- Medical treatment on sight will be offered from Bangkok Hospital free of charge; however any further treatment and services outside the tournament's compound will be subjected to the normal fees and charges.
- Sunday after the 1st game of the second round started the schedule is fixed. Teams need to check their positions and schedules to eventually claim mistakes before the 1st game of the second round on Sunday start.
